Image report

The `img` elements of the page are shown below categorized by their type of textual alternative. Please review that the images in each group match that group's definition.

Images with textual alternative

The following images have textual alternatives. Please review that the textual alternatives make sense considering the purpose of the image in the context of the page and that phrases like "Image of ..." are avoided.

Note that iconic images that are redundant with text next to them or purely decorative should have `alt=""` instead.

Image	Textual alternative	Location
Not resolvable	Our beautiful	From line 29, column 17; to line 29, column 76
Not resolvable	beautiful mobile clinic	From line 77, column 21; to line 77, column 88
Not resolvable	Vaccination of someone	From line 92, column 21; to line 92, column 80
Not resolvable	Someone is talking to some people and explain them something.	From line 115, column 21; to line 115, column 130
Not resolvable	A hygiene kit	From line 130, column 21; to line 130, column 74
