Check by

file upload

Choisir un fichier

Aucun fichier choisi

Uploaded files with .xhtml or .xht extensions are parsed using the XML parser.

Check

Use the Message Filtering button below to hide/show particular messages, and to see total counts of errors and warnings.

Message Filtering

Document checking completed. No errors or warnings to show.

Image report

The img elements of the page are shown below categorized by their type of textual alternative. Please review that the images in each group match that group's definition.

Images with textual alternative

The following images have textual alternatives. Please review that the textual alternatives make sense considering the purpose of the image in the context of the page and that phrases like "Image of ..." are avoided. Note that iconic images that are redundant with text next to them or purely decorative should have alt="" instead.

Image	Textual alternative	Location
Not resolvable	logo	From line 23, column 17; to line 23, column 67
Not resolvable	France with a mark point on Paris	From line 42, column 17; to line 42, column 101
